Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner notified the Applicant's representative that independent claims 23, 38, 41 and 48 contain allowable subject matter as indicated in the previous Office Actions (5/28/2008, 11/26/2008 and 2/2/2009) , but independent claims 37 and 47 do not contain allowable subject matter. Applicant's representative agreed to cancel claims 37 and 47 in order to expedite the prosecution toward allowance of the remaining claims. Applicant's representative gave authorization to Examiner to amend the claims to be in condition for allowance by correcting minor issues such as indefiniteness and dependency of the claims..
